

ILMDA LIEN LAW MANAGEMENT GUIDE

Cost: \$25.00

THE LATEST CHANGES TO THE ILLINOIS
MECHANICS LIEN LAW
BECAME EFFECTIVE JANUARY 1, 1997

As an Illinois lumber dealer, you should have a copy of this easy to understand guide to help you take the necessary steps to protect your lien rights.

The Lien Law Act serves as a powerful collection remedy for lumber dealers who provide building materials to contractors for home improvement projects.

The comprehensive guide includes a pre-lien checklist and sample lien forms. Regardless of your position, contractor or subcontractor, the guide provides directions and forms to establish or waive your lienable interests in projects ranging from home improvement projects to bondable or government construction.

ORDER YOUR MECHANICS LIEN LAW MANAGEMENT GUIDE TODAY!

**If your copy does not have the 1997 up-dates,
you need to order this guide for your files.**

Enclosed is my check for \$25.00. Please send me the LIEN LAW MANAGEMENT GUIDE
